Kristen Perriello helps healthcare, life sciences and other companies across a wide range of industries to effectively manage complex litigation issues, with an emphasis on government enforcement actions, internal investigations, and compliance advice. She is known for her ability to learn her client's business inside and out to deliver practical solutions and advice that is tailored directly to particular business needs.

Kristen represents corporations and individuals across a wide-range of industries, with a particular emphasis on cases involving the False Claims Act, Anti-Kickback Statute, Federal Food, Drug, and Cosmetic Act, Foreign Corrupt Practices Act, and securities laws. She also conducts internal investigations on behalf of corporate clients to evaluate potential exposure under federal statutes, and advises clients on various compliance issues, including healthcare fraud, the Food, Drug and Cosmetic Act, the FCPA, and securities matters, and helps clients by preventing and curing corporate misconduct issues and assisting them in ensuring strong ongoing corporate compliance.

Kristen recently served as a Special Assistant District Attorney with the Suffolk County District Attorney's Office, where she gained significant criminal trial and motion practice experience.

Representative Engagements

- Represent defense contractors in False Claims Act investigations.
- Defend global biopharmaceutical company in False Claims Act investigation, related qui tam action, and subsequent appeal.
- Defend major pharmaceutical companies and medical device companies in federal and state investigations.
- Advise life sciences companies regarding commercial and medical activities, patient services, patient assistance programs, and clinical educator compliance measures, and defend companies in government investigations regarding these programs.
- Represent life sciences companies in internal investigations of alleged compliance violations asserted by whistleblowers.
- Defend individuals in healthcare fraud investigations, SEC investigations and related cases.
- Represent medical device company in settlement negotiations with state and federal authorities, including negotiation and implementation of Corporate Integrity Agreement.
- Counsel university and teaching hospital clients regarding potential False Claims Act implications of alleged scientific misconduct.
